2008

For its 2008 session, CIGRE highlights the work of Elena Paroucheva, artist involved in the Environmental Art.

How the electricity pylons, the wind turbines, the antennas - relaying mobile... can become works of art? The answer is in drawings, studies, photographs, sculptures and installations of the artist, presented in her exhibition "Networks into Artworks" in the CIGRE Exhibition, Palais des Congrès from 25 to 29 August 2008.

Elena Paroucheva will be present during the exhibition:

From Monday to Thursday,
from 9 am to 6 pm
Friday, from 9 am to 4 pm

See exhibition in:

Foyer Amphithéâtre bleu
